Please be aware that a minimum number of registrants must be achieved for each PSA event it is possible therefore that an event may not proceed if the minimum number is not achieved. Registrants will be advised in due time and registration fees refunded if an event does not proceed.

CANCELLATIONS: Please note that cancellations received up to five (5) working days before the seminar are refundable, minus a \$25 (inclusive of GST) registration service charge. After that cancellations are subject to the entire seminar fee. You may substitute for an alternative CPD event up to the equivalent registration fee, within the same calendar year. No refund is offered for cancellation of substitute events. Please note that if you do not cancel and do not attend you are still subject to the entire fee.

The Pharmaceutical Society of Australia (PSA) has a database of member's names, addresses and other relevant information to membership of the PSA. This data is accessed by PSA to mail information including publications and member services. It is made available to related organisations with which PSA has formed a relationship to provide member services and benefits. This includes mailing houses that provide these services. Members may request personal information not be passed onto a third party; however this will result in the member being unable to receive Society mailing. A member may request a copy of personal information held by the Society.
