

PHYSICAL HEALTH IN SERIOUS MENTAL ILLNESS

WHY ARE THEY DYING?

HOW CAN WE WORK TOGETHER?

All GPs with any interest in mental health are invited to this clinical meeting to discuss the challenges in managing the physical health of those with mental illness.

Speakers: **Assoc Prof Dr Richard Newton**
Medical Director Mental Health Clinical Service Unit
Austin Health

Sharon Sherwood
Manager North East Area Mental Health Service
Austin Health

We hope to have vigorous discussion between GPs and our local mental health service to find ways to work more collaboratively to improve the health of our patients with mental illness.
