

north east
primary mental health team

ARE YOU INTERESTED IN MENTAL HEALTH TRAINING WITH A SMALL GROUP OF SIMILARLY INTERESTED GPs AT A CONVENIENT VENUE, ABOUT TOPICS YOU HAVE CHOSEN?

In 2006 the NEVDGP in conjunction with the North East Primary Mental Health Team (NEPMHT) successfully piloted a small group learning module with a group of GPs from 2 practices. In the 2008-2010 triennium we would like to offer this program to other interested GPs.

Benefits include:

- 40 Category 1 CPD points
- Supportive learning environment with no more than 10 participants
- Venue close to or in your practice
- You choose the mental health topics you'd like to explore through the group sessions
- Group sessions spread over a 12 month period

LIKE TO FIND OUT MORE????

Complete this form and fax it back to Nicky Bisogni (Mental Health Program Officer) at NEVDGP on 9496 4349 and Nicky will be in touch!

- I am interested in finding out more about being part of a small group learning
